

# ASPEN BIO CHAIN OIL

Chainsaw oil for chainsaw chains  
and bars

# ASPEN BIO CHAIN OIL

## Chainsaw oil for chainsaw chains and bars

Aspen Bio Chain oil is a unique, environmentally friendly and highquality vegetable oil for use on all types of chainsaw chains and bars..

The unique composition of oil and additives gives the oil excellent antioxidative properties, meaning it can handle long standstills without negatively impacting either pump or chain.

Aspen Bio Chain oil has very good adhesive characteristics, providing outstanding lubrication and functionality even in extreme conditions.

Can withstand temperatures as low as -32° C. It is readily biodegradable (OECD 301D).

### Area of use

### Units

Available in 1, 4, 20 och 208L.

### Product information

- Excellent antioxidative properties
- Optimal viscosity for area of application
- Good adhesive characteristics
- Up to 95% renewable components
- Easily biodegradable

### Typical characteristics

Parameter	Unit	Test method	Results
Density at 15 °C	kg/m3	ISO 12185	920-940
Kinematic Viscosity at 40°C (ISO VG)	mm2/s	ISO 3104	68
Pour point	°C	ISO 3016	< -30
Flash point, COC	°C	ISO 2592	> 260
Biodegradability (within 28 days)	%	OECD 301D	> 60

Art.No 204065EN - 2025-03
